Adapted Shifter

Sure Grip manufactures modified shifter knobs for popular passenger vehicles. The adapted shifter knob is a direct replacement for the original factory knob which allows the gear selector to be moved using only the palm of your hand rather than the use of your thumb to depress a button to move the gear selector.

Currently Available Applications:

2008-2010 Caravan/Town & Country adapted shifter knob
(Product ID: A303)

2005-2010 Honda Odyssey adapted shifter knob
(Product ID: A304)

2011 Honda Odyssey adapted shifter knob
(Product ID: A305)

Universal adapted shifter knob
(Product ID: A306)

Single post add-on
(Product ID: A307)

Bi-pin add-on
